

# The Inclusiveness Project

## EMPLOYER TESTIMONIALS

*"The Inclusiveness Project vetted the applicants and looked specifically for people most suited to the job descriptions we provided. This really saved us time in recruitment and it also saved us money because we didn't have to go through advertising in the paper."*

**NOEL KEGG**

*"The students came to us with good, relevant skills for our business due to the courses they had attended through The Inclusiveness Project."*

*"Nadia's contribution to the team was of great value. She carried out a piece of work which was very time consuming. This freed up members of staff to concentrate on other tasks."*

*"David got all the piled up tasks done, which was great! And it was personally satisfying to support his development."*

*"You are supported by the project throughout the placement and the students come with a high level of skill."*

*"Elizabeth had all the skills needed for the role. The course gave her the necessary IT skills but her own strengths, such as initiative, working in a team and friendly attitude, made her a joy to have in the office."*
