

South
Lanarkshire
College

East Kilbride

**South Lanarkshire College
are committed to building your
number confidence and skills.**

Find out how we can support you!

Having a good understanding of numbers is important for everyday life. From managing personal finances to DIY and cooking. Improved numeracy skills can help you become confident with money, improve your career prospects, or prepare you for further study.

SLC offers a variety of support to enable you to:

- Upskill to access certain jobs
- Improve your understanding of numbers
- Use numeracy to manage your finances
- Increase numeracy skills in the workplace
- Access College wide resources and facilities

Courses on offer:

- Personal Development with Numeracy
- Pathway to Employment with Numeracy
- Numeracy for Employees
- Money Management with Numeracy
- Money Management for Care Experienced
- Numeracy for the Community

The programmes are for South Lanarkshire residents over 19 who do not already have SCQF Level 5 Maths qualification. They will be delivered in South Lanarkshire College, East Kilbride and our Rural Academy in Lanark.
