

SLC Equality Data for Academic Board

- 2013/2014
- 2014/2015
- 2015/2016

About the Data

Student outcomes in this report are organised these categories:

(EW) early withdrawal - Students who withdrew before the required 25 per cent attendance date. The SFC does not provide colleges with activity funding for students who leave before the 25 per cent date (also known as the funding qualifying date).

(FW) further withdrawal - Students who attended the course past the required 25 per cent attendance date but withdrew from their studies before the programme ended.

(CS) completed successfully - The student completed the course year and, if in their final year or in the case of a one-year course, gained the qualification they were aiming for. For students on a course of more than one year's duration and not in their final year, they are considered to have successfully completed if they are eligible to progress to the next year of study and have achieved at least 70 per cent of the units studied in the current year.

TOTALS – South Lanarkshire College totals.
